PRODUCT CATALOGUE

WHO ARE WE?

BEE Natural is a farmer's product that was launched with the mission to provide both producers and their products with the identity they deserve. BEE natural is an expression of the people of the Himalayan ecosystem, particularly the farming community

WE BELIEVE IN

FARMER TRACEABILITY & REGIONAL IDENTITY

This QR code, printed on our product packaging, helps consumers to make a fully informed choice - to know where their food comes from, how it was farmed and sourced, what goes into it, and who helps produce it, at every step of the way. Every batch of the produce that we carefully source undergoes stringent quality testing, to ensure that the only best reaches your table

IN A BOX

In A Box—a premium gifting solution that elevates traditional giving into a celebration of North East India's rich agro-biodiversity.

Every product is ethically sourced directly from smallholder cooperatives across the diverse districts of the North East.

Our hallmark is dynamic, seasonal curation. Inside, you will find a collection that naturally evolves to mirror the freshest harvest cycles of North East India, offering a true taste of the region’s changing seasons.

Naga King Chilli infused oil - 100ml

The legendary fiery heat of the Ghost Pepper chilli, handpicked and sourced from Nagaland, is packed into BEE NATURAL's Naga King Chilli infused oil. Containing absolutely no artificial colors or flavors, this unique chilli oil is crafted purely from sun-dried naga king chillies, known for their aroma and spicy kick. Give your tastebuds a fiery treat!

Ginger Powder - 60g

Made from the finest - quality of dehydrated ginger, sourced from farmers in Meghalaya. BEE NATURAL's Ginger Powder is free from any additives, artificial colors or preservatives. An indispensable ingredient for flavoring fruits, salads and meats. It can also be used as a garnish for beverages.

Lakadong Turmeric Powder- 60g

Lakadong turmeric is sourced directly from farmers in Meghalaya's Jaintia hills district. Thanks to its high curcumin content compared to other varieties, Lakadong turmeric adds health benefits along with earthy flavor and strong aroma. BEE NATURAL's Lakadong Turmeric is free from any additives, artificial colors or preservatives.

Cinnamon Powder- 70g

BEE NATURAL’s Cinnamon Powder is made from the highest-quality cinnamon, directly sourced from farmers in Meghalaya, where this warming spice grows bountifully. Cinnamon oils have anti-microbial properties, making it a natural antiseptic and analgesic.

Schezwan Powder - 60g

A spice and seasoning with a distinctive flavour, BEE NATURAL’s Schezwan pepper is sourced from Meghalaya. With a medium heat and slight lemony flavor, it creates a gentle, tingling numbness in the mouth and prepares the tastebuds for hot spices.

Black Peppercorn Grinder - 60g

These flavor-packed peppercorns have been carefully selected and handpicked by farmers of Meghalaya. BEE NATURAL’s Black Peppercorn grinder has a superior aroma and robust flavor that adds a wonderful punch to almost any dish. This convenient product makes it easy to grind fresh pepper right at the table.

Smoked BBQ Spice Rub - 80g

BEE Natural' SMOKED- Dry Spice Rub contains all the necessary flavoring herbs, spices, salt & some secret ingredients. Made with the finest of ingredients to uplift it's taste which makes your food super yummy and

Chilli Flakes - 60g

Chilli Flakes, also known as crushed red pepper or red pepper flakes, are a popular spice made from dried and crushed chilli peppers. These fiery flakes add heat and flavour to a variety of dishes, ranging from pizza and pasta to stir-fries and soups.

Sumac Powder - 60g

Sumac Powder is a versatile seasoning made from dried and grounded Sumac Berries grown by farmers across the Himalayan Ecosystem. Its tangy flavor makes it an excellent spice rub for meals as well as seasoning for your salads. The reddish brown spice is has one of the best anti-inflammatory properties

Khasi Mandarin Honey - 250g

The Khasi Mandarin is a particularly sweet and richly-flavoured variety of orange. Nectar collected by honeybees from the mandarin plantations of Meghalaya and sourced from skilled farmers, is the secret behind the delicate flavour of BEE NATURAL's Khasi Mandarin Honey.

Wildforest Honey - 250g

This prized form of organic honey is sourced from Meghalaya – a lush biodiversity hub where the heavy rainfall supports a wide variety of flora and v fauna. BEE NATURAL's Wildforest Honey has a pure and mild sweetness. It is said to be the most medicinal form of honey.

Rock Bee Honey - 250g

Made from carefully sourced natural honey, Bee Natural Rock Bee Honey delivers rich aroma,smooth texture, and authentic taste. Packed with natural goodness, it is an ideal choice for health-concious consumers seeking purity and quality.

Lychee Honey -250g

This premium Lychee Honey by Bee Natural is a perfect blend of purity, taste, and nature's richness. Harvested naturally and packed with care, it offers a smooth texture, floral aroma, and delicious sweetness that makes every spoonful special.

Pineapple rings - 850g

Enjoy sweet pineapple rings anytime, anywhere no matter the season. Packed with a good source of Vitamin C and a richness of antioxidants this fruity delight will lift up your spirits and lighten up any party or get togather.

Jackfruit chunks in brine - 800g

Sourced & canned in Meghalaya. The jackfruit's tender yet firm texture allows it to absorb the flavors of the spices & sauces it is cooked with. Jackfruit is rich in vitamins, enzymes & antioxidants, & has high fiber which aids digestion. This product is completely free from artificial colors, flavors, or preservatives, & is gluten-free & soy-free.

Roasted Garlic Peanut Sauce - 150g

This roasted peanut garlic chilli crisp is an all purpose condiment made in small batches using the highest quality of ingredients. It is a unique blend of crispy-crunchy chilli and peanuts, slow-roasted flavors with toasted whole spices.

Naga King Chilli Paste - 245g

Naga King Chilli Paste A Chilli Paste made from Naga King Chilli also known as the fiery hot Ghost Pepper Chilli or Bhoot Jholokia, is sourced from the hills of Nagaland, in North East India. Specially made from locally grown sun-dried Naga King Chilli, Star Anise, Cinnamon, Peanuts, and Vegetable oil, offering you a hot and smoky flavored mouth-watering paste.

Naga King Chilli Pickle - 100g

BEE Natural Naga King Chilli Pickle brings the fiery taste of authentic Naga King Chillies straight from the hills of Nagaland. Made with handpicked chillies, garlic, mustard oil, and rich spices, this pickle delivers an intense burst of heat with bold traditional flavors.

Perfect for spice lovers, every spoonful adds a smoky, spicy kick to your meals.

Orthodox Black Tea - 60g

Black Tea from Meghalaya is rich in flavor and aroma. Earthy, strong yet not bitter to taste, it makes a perfect refreshing and energizing drink.

Green Tea - 60g

Experience the refreshing taste of nature with BEE Natural Green Tea, crafted from premium tea leaves sourced from the pristine hills of Meghalaya.
With its light flavor and calming aroma, it is perfect for your daily wellness routine. Hygienically packed to preserve freshness and quality, BEE Natural Green Tea brings the purity of Meghalaya's natural heritage in every cup.

Lakadong Turmeric Latte Powder - 125g

Sip on BEE Natural's Lakadong Turmeric Latte, a spice mix for a creamy, tasty and healthy golden drink. Made from a blend of organic spices rich in antioxidants and perfect for revitalizing your senses.

Black Large Cardamon - 100g

Black large cardamon, scientifically known as Amomum subulatum, is a robust and aromatic spice native to the eastern Himalayas and parts of India. Unlike its smaller, more common counterpart, green cardamon, black large cardamon has a distinctly smoky flavor with earthy undertones, making it a prized ingredient in various culinary traditions.

Naga King Chilli Dried - 30g

Naga king chilli dried is a fiery variety of chilli pepper native to the northeastern region of India, particularly Nagaland. Also known as the Bhut Jolakia or Ghost pepper, it gained widespread attention for its extreme heat, measuring over a million Scoville heat Units (SHU) on the Scoville scale.

Lakadong Turmeric Powder Pouches- 150g/250g/500g/1kg

Lakadong turmeric is sourced directly from farmers in Meghalaya's Jaintia hills district. Thanks to its high curcumin content compared to other varieties, Lakadong turmeric adds health benefits along with earthy flavor and strong aroma. BEE NATURAL's Lakadong Turmeric is free from any additives, artificial colors or preservatives.

CREATE YOUR BESPOKE GIFT BASKET

Craft a bespoke gift basket tailored entirely to your style and budget by choosing your ideal canvas—an elegant, handwoven Kouna Basket or an eco-friendly Jute Bag. This beautiful base serves as the foundation for your custom collection, letting you set the scale, price point, and overall aesthetic of your final gift.

Once your base is selected, curating the ultimate culinary and wellness experience is as simple as mixing and matching premium treasures from our collection:

- **Raw Honeys:** Lay a luxurious foundation with the citrusy notes of pure Khasi Mandarin Honey or the rich, deep notes of Wildforest Honey.
- **Himalayan Spices & Lattes:** Elevate the wellness factor by adding high-potency Lakadong Turmeric, comforting Ginger Powder, or a soothing Lakadong Turmeric Latte Mix.
- **Fiery Hot Sauces & Pastes:** Inject bold, unforgettable flavor into your arrangement using our signature Naga King Chilli Paste or savory Peanut Garlic Chilli Paste.

"Pick your basket, pack the purity and gift the taste of nature."
